

Directions

University of Bayreuth / Center of Energy Technology (Zentrum für Energietechnik)

building FAN C, ground floor, room C.0.14

You will find directions by car or public transport on the next page.

How to get there

Arriving by car

- leave the motorway A9 (Berlin-Munich) at exit 42 (Bayreuth-Süd).
- then follow the sign “Universität”
- At the entrance to campus keep left and follow the road until you see the four characteristic parallel buildings of the Faculty of Engineering Science (FAN) on the left side with the blue-grey solar disk in front of them (info point 12).
- Parking lots are opposite the building (sign posted “NW II”). Please note that parking space is rare during running semester. Optional parking is available at the parking “Kreuzsteinbad” (see map on the first page, follow road into city centre (Universitätsstraße) and turn left into Frankengutstraße. Please use the rear part of the car park. From there footpath to the university campus.

If you arrive by public transport,

- You arrive by train at the main station of Bayreuth.
- In front of the station there are taxi ranks and regular bus stops.
- If you take a taxi (cab) please advise the driver to stop at info point 12.
- If you take the bus, please use bus number 316 which runs regularly between train station and university campus.
- Get off at bus stop Universität/Geowissenschaften (last stop).
- Follow the road or footpath until you see the four characteristic parallel buildings of the Faculty of Engineering Science (FAN) on the left side with the blue-grey solar disk in front of them (info point 12).
